✦③ 【Communicating the Kingdom of God is something only the church can do】

Now let's look a little at Philip's evangelism. Philip said, "Leave here and go south to the road from Jerusalem down to Gaza. It is a lonely road" (Acts 8:26). (Acts 8:26). As if waiting for Philip, who had returned to Jerusalem from Samaria, the angel commanded him to take the road down to Gaza. It had always been a deserted and deserted road. What in the world was he going to do by going to such a deserted place? But Philip obeyed immediately. On the road, he met a eunuch who was returning to Ethiopia after worshipping in Jerusalem. Philip shared the gospel with him, and the eunuch believed it, was baptized, and became a Christian. It is said that through him, Ethiopia became a Christian country. This is the Ethiopian Orthodox Church. God has a plan. Just as He saved Ethiopia through Philip, He wants to make us do something and save someone through us.

Every year, Dr. Enomoto's church held a citizens' Christmas party, inviting people from the community for a Christmas pageant and worship service. This took a lot of preparation, effort, and expense. One year, a suggestion was made to cancel the citizens' Christmas party this year and use the money to buy rice cakes and distribute them to senior citizens' facilities. However, Dr. Enomoto replied, "You don't have to be a church to distribute rice cakes. But only a church can preach Jesus Christ. He continued to hold the Christmas party. Proclaiming Christ is a holy duty and mission entrusted to the church. When the mission is lost, the church loses its life. Let us be empowered by the Holy Spirit and continue to walk the path of preaching the Lord Jesus Christ according to the Word of God.
